**Instruments of power tends to be abused.** So we can blame the instruments for not getting into trouble with the people that abuse the instrument of power. Justice Systems, Police, Guns, Tanks, things against the sexual integrity of a person, knowledge, knowledge about crime, BigData, Computer, Infisher, physical strength, martial arts... are all instruments of power like almost everybody i also abused power since everybody seemed to abuse it. Parents are often a bad example where kids learn to abuse such instruments of power. I was mostly the guy that was victim of such abuse so it was rather easy for me to change the side: i began to confess all my sins, began to excuse and help those that were my victims. Spiritually i feel much better now. But unfortunately there are lots of older people that not yet began to confess, and they make me a lot of trouble, see m44 card.
